

The screenshot shows the IBM website interface. At the top left is the IBM logo. To its right is a search bar with the word "Search" inside. Below the logo and search bar is a navigation bar with links: "Home", "Products & services", "Support & downloads", and "My account". On the left side, there is a vertical menu with "Select a country" and "Storage" as main categories. Under "Storage", there are sub-categories: "Hard disk drives", "IBM Microdrive™", "Mobile", "Desktop", and "Server". Below these are links for "How to buy", "Technical support", "Technical library", "News", "Technology resources", "Case studies", "How to...", and "Contact hard drives". At the bottom left of the menu are "Related links:" with sub-links for "Warranty info", "IBM Microelectronics technical library", and "Disk storage systems".

The main content area features a "Lead Story" section titled "IBM Microdrive™" with the sub-headline "High-performance storage solution for portable electronics." The story includes an image of two cameras and a Microdrive card, with the text "Brighter pictures, More space" and "Microdrive boosts Digital Photography".

Below the lead story is an "Announcement" section for the "e.Digital MXP 100". The text reads: "Voice recorder, data storage device, MP3 and WMA player all in one". It features images of the device and a Microdrive card. The price is listed as "\$149". Below this is a smaller version of the same advertisement.

On the right side of the page, there are several sidebar sections: "Ready to buy" with a link to "Buy hard disk drives online"; "Microdrive information" with links for "Microdrive overview", "Microdrive solutions", "Developer's corner", and "Microdrive Downloads"; "Microdrive News" with a link to "Microdrive on Wheels" and an image of a toy car; and "Talk to us ..." with links for "About our products", "About our Web site", and "About automatic updates by e-mail".

At the bottom of the page is a footer with links for "About IBM", "Privacy", "Legal", and "Contact".
